February is Dental Health Awareness Month

The theme for this year is "GET A GOLD MEDAL SMILE".
Dentists from the RAF Alconbury Clinic will be here on February 19.

Students who have a signed parent permission form will be examined by the dentist.

~Nurse Vicki A.

Music

Please see the attachment regarding the music program.

If you have any questions or concerns about the AES music program, please feel free to contact the school at 01480843620.

PTA News

On these days, please send in .50 (per bag) with your child for popcorn.

Mission Statement

The Department of Defense Education Activity provides, in military communities worldwide, exemplary educational programs that inspire and prepare all students for success in a global environment.

Vision Statement

The Alconbury Elementary School Community will provide the opportunity for students to develop academic skills and those characteristics which lead to responsible citizenship in a safe learning environment.

STUDENT VISION STATEMENT

<u>BE SMART</u>	<u>BE Kind</u>	<u>BE</u>
<u>SAFE</u>		
~Make Good Choices	~Treat Everyone Nicely	~Follow
Playground Rules		
~Do Your Best Work At All	~Help Others	
~Follow Classroom and		
Times		Hallway Rules

~ Be Responsible
Others Feel Safe to

~ Help

Classroom

Learn in the

CSI Goals

Goal 1 - By June 2014, all students will increase performance on targeted written communication skills listed in the DoDEA grade level standards using instructional interventions in all curricular areas as measured by the 6 Traits writing rubrics (Primary or Intermediate focusing on Word Choice, Sentence Fluency, and Conventions), the TerraNova 3 language arts subtest; and the vocabulary and Grammar-Usage-and-Mechanics (GUM) assessments from Reading Streets

Goal 2 - By June 2014, all students will increase performance on targeted mathematical problem solving and reasoning skills using instructional interventions in all curricular areas as measured by the TN3 Mathematics subtest and school based assessments. The targeted skills are the understanding of numbers and number relationships (rounding, estimating, comparing, and measurement) and the application of strategies to solve real world problems.

Have A Wonderful Weekend!
