One day all of the food in Dreamland was stolen! This must be the work of King Dedede. Kirby saves the day! The pink puffball is on his or her way when the poppy bro Jr father arrives!

“Ha ha!” he said, “You will never get to King Dedede Castle ha Ha!”

Kirby got beamed then he beamed him to death and blew him up! KA BOOM! He went. So Kirby got some poppy bro Jrs and a bull. It was wispy woods. Kirby called a waddle doo. The waddle doo and Kirby began to fight Kirby inhaled the apples and the waddle doo use beam wipe, beam circle, beam blast, cachper beam on the apples and wave beam. “WAAAAAAAAAAAAAAAAA!” Said wispy woods. Kirby has defeated wispy woods.

“Ahhhhhhhh!” Screamed Kirby.

He fell into the water. And swam to Float Island

There was a knuckle Joe! So Kirby inhaled him and became fighter Kirby and got a helper knuckle Joe. Kirby was doing good until

Mr. frosty came. “Weee!” He said “I will throw ice cubes at you and get you done for!” He said. But Mr. frosty did not know that Kirby could inhale.

Kirby inhaled all the ice cubes that came out of Mr. Frosty’s. Until Mr. Ice cub went KA BOOM! Then from

nowhere a warp star appeared. Kirby went on it. He flew to Lolo and Lalas castle. And Kirby got his best copy ability. "Crash!" was heard as soon as Lolo and Lala appeared.

KA BOOM! In one hit both of them were killed. But all of a sudden the gravity was off! Kirby flew up in the air. Higher, Higher, Higher and Higher! Until Kirby was in the clouds. But Kirby did not go any higher. The Gravity was back on.

"Where am I?" said Kirby. A Waddle Dee guide came to greet Kirby.

"You are in Bubbly Clouds," said the waddle dee. "But..." as he started. "Beware of the Krako," he warned.

"Don't tell me that," said Kirby. "I am the Dreamland Super Star!"

"Okay. Then go get Krako!" said the Waddle Dee.

So Kirby set off on the journey toward Krako. He took a Waddle Doo with him or her. He was doing good getting the guards until Krako Jr. came. He was only a mini thundercloud. But he could shoot plasma at Kirby.

But Kirby was Beam Kirby and he had a helper, a Waddle Doo. And they had an easy time. A minute later, Kirby saw a walking megaphone. Kirby inhaled him and he became Mike Kirby! And then he entered the cave of Krako. And the first thing he saw was...KRAKO! But. The Waddle Doo and Kirby were not even hurt. Mike Kirby saved the day! (Because Kirby yelled in his megaphone 3 times)

Kirby and the Waddle Doo danced for victory. And a warp star came to them.

They flew to Mt. Dedede. And they went to a boxing room and there was King Dedede standing right across from them. King Dedede was ready to fight. Kirby and the Waddle doo beamed, beamed and beamed until King Dedede flew right out of the castle! Kirby and the Waddle Doo danced for victory! Then the four air stars went to Kirby and he grew, and grew, and grew until he was bigger than the castle! Food was pouring out of the castle. Kirby saved the day!

The end!
